Dear Emmie

THANKS AND APPRECIATION

The AFB Waterkloof ATC Section would hereby like to express its sincere thanks and appreciation for your eagerness to contribute towards our Waterkloof control tower restoration project.

In the absence of any SA Air Force funding and/or assistance, we have decided to tackle this project out of our own efforts, but we were never sure as to how we would be able to raise all the funds required to complete the project. Your intended contributions will therefore be vital in helping us achieve our goals in this regard. Thank you very much!

The following ATC Trust account has been set up for our fund raising effort. Although this account forms part of the AFB Waterkloof Regimental Fund Account (in order to keep things legal), we can assure you that the funds in the ATC Trust is reserved for our exclusive use only.

BANK: ABSA

BRANCH: 632005

ACCOUNT NAME: AFB Waterkloof Regimental Fund

ACCOUNT NUMBER: 103 994 3596

REFERENCE: ATC Trust (N.B. please use this reference to ensure the funds end up in our trust fund)

Please advise if you experience any difficulty with the transfer of funds to this account.

Your very loyal friendship and support to Waterkloof ATC is warmly appreciated by us all. We just hope that somehow we would one day be able to return all your generous favours.

(J.P.H. STEYN)
