## Baragwanath Fly-in Lunch - 19th April 2009

### Suggested Approaches :- ( The Airfield is not controlled !!! )

- 1) **From North / North-east and East :-**  
Suggest route via Orlando Power Station. Remain West of Bloemfontein Road, North of Potch Road and East of Randfontein Road.
- 2) **From North-west / West and South West :-**  
Suggest route via Glenharvie Mine and Westonaria. Remain North of Potch Road and between Westonaria and Randfontein Road. Remain South of Bekkersdal.
- 3) **From South and South-east :-**  
Suggest route to East of Lenasia and North of the Potch Road.
- 4) Broadcast your position and intentions on **122.6** when within **5 Nm** of Baragwanath, (Areas "West" and "East").
- 5) Observe Semi-Circular Rule under JHB TMA. Special Rules West Frequency :- **125.8**
- 6) **Aircraft using the "Aerobatic Box" :-**  
Enter the "Aerobatic Box" from the South. Remain to the South of the Runway. Exit to the East or West to join the active "down-wind" leg. No short cuts onto Base / Finals.
- 9) **Aircraft Departing Baragwanath :-**  
Suggest climb out straight ahead for at least **3 Nm**. Route out via Westonaria or Orlando Power Station. If routing to the South, remain at least **5 Nm** south of airfield.

***"Speak out and Look out".***
