Compliance Statement/Declaration of Compliance to **ASTM Standard F2339-06**

ASTM Standard F2339-06 (Standard Practice for Design and Manufacture of Reciprocating Spark Ignition Engines for Light Sport Aircraft)

HKS 700E, from S/N 101105 and above

HKS AVIATION CO., LTD declares that the aircraft engines and/or components of the engines, identified by Serial Number in this statement of compliance, conform to the applicable ASTM F2339-06.

No characteristics or attributes are found that would cause the engine to be unsafe when it is installed, operated and maintained as described by the instructions and limitations in the official documentation, approved and provided for these engines, by HKS AVIATION CO., LTD.

Engines described in this compliance statement may not be modified from their original configuration without approval, in writing, from HKS AVIATION CO., LTD.

Engines must be installed, operated, and maintained in accordance with the provisions, limitations, and instructions of the applicable HKS-approved publications and continuing airworthiness instructions.
